

2 Days of Prayer

Name: _____

Date: _____

**Now faith is confidence in what we hope for
and assurance about what we do not see.**

Hebrews 11:1 [NIV]

How to Use This Journal

Start each day by finding a quiet place to sit down for ten minutes and fill out your daily exercise.

There are four sections:

- Gratitude** Life can be stressful, but when you start each day with gratitude, you are deciding to trust in and focus on God's provision over your problems. Gratitude shifts your perspective; it takes what you have and makes it enough, regardless of your circumstances.
- By Faith** Living By Faith invites us to view every decision, challenge, and hope through trust in God rather than our circumstances. When we choose to live with a lens of faith, it reshapes how we see today and transforms how we step into tomorrow.
- Action** We often overestimate how much we can get done in a day and underestimate how much we can get done in three weeks. The key is consistency in the same direction. This section invites you to move forward on the discipleship journey. Commit to Gather, Grow, Give and Go throughout the activity of your day.
- Prayer** Prayer is the best way to put down our agenda and trust God. Pray personally by following the prayer prompts, and also lift up our church community—asking God to guide us, grow us, and unite us as we walk by faith together.
