

beacon

/ ' bēkən /

noun

Definition : A fire or light set up in a high or prominent position as a warning, signal, or celebration.

Example : a chain of beacons carried the news

For the love of money is a root of all kinds of evil. Some people, eager for money, have wandered from the faith and pierced themselves with many griefs.

1 Timothy 6:10

Matthew 6

Do not store up for yourselves treasures on earth, where moths and vermin destroy, and where thieves break in and steal. But store up for yourselves treasures in heaven, where moths and vermin do not destroy, and where thieves do not break in and steal. For where your treasure is, there your heart will be also.

Matthew 6:19-21

Treasure the right treasure.

The eye is the lamp of the body. If your eyes are healthy, your whole body will be full of light. But if your eyes are unhealthy, your whole body will be full of darkness. If then the light within you is darkness, how great is that darkness!

Matthew 6:22-23

In order to shine, we have to let the light in.

No one can serve two masters. Either you will hate the one and love the other, or you will be devoted to the one and despise the other. You cannot serve both God and money.

Matthew 6:24

Master your money so you can serve Jesus.

You are the light of the world. A town built on a hill cannot be hidden.

Matthew 5:14

Being a beacon is better than being a billionaire.

Discussion Questions

1. How has money ever taken the place of God in your heart/life?
2. How has God's blessing [of money in your life] allowed you to bless others as you follow Jesus?
3. How can you spend, save, and give differently to be a better beacon of God's light to others?
4. Do you believe that being a beacon is better than being a billionaire?
