beacon

/ bee-kuhn /

noun

a person or thing that illuminates or inspires.

Beacon: Something that illuminates, inspires, signals, or guides.

Your word is a lamp for my feet, a light on my path.

Psalm 119:105

Everyone needs a beacon.

You are the light of the world. A town built on a hill cannot be hidden. Neither do people light a lamp and put it under a bowl. Instead they put it on its stand, and it gives light to everyone in the house. In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven.

Matthew 5:14-16 14

He/we are meant to LIGHT THE WAY together.

He's made you light... and He's calling you to be a beacon.

You are the light of the world.

You are the only one who can cover your shine.

I'M A LIGHT

Who is your ONE?

Be a beacon.
